

# BEXAR COUNTY, TX, CLERK'S OFFICE

"RECORDS ON THE RUN" MOBILE CLERK'S OFFICE

**MISSION //** Bexar County, Texas, Clerk's Office needed to bring essential government functions into the community. The "Records on the Run" Mobile Clerk's Office provides common services such as marriage licenses, business and real estate records, cattle brands, and recording of official documents.

**SOLUTION //** Nomad GCS designed, manufactured, and integrated this mobile office on an International MV607 chassis. The "Records on the Run" unit features a flat-floor slideout with interior workstations, dual walk-up service windows, and wireless connectivity. Nomad Total Command™ (NTC) provides system automation and control, while a 12kW generator, exterior awning, and security cameras support efficient, secure, and accessible operations in the field.
